2. Container Number/Wt to be advised prior vessel arrival.
 3. B/L details with any special instructions must be submitted to our office 24 hours prior to the Vessel cut off, especially for Discharge Ports like Bandar Abbas, Karachi, Mundra, Nhava Sheva & Cochin where the transit time is short. In the event the B/L details are not submitted in time, the containers will not be loaded on the said vessel & all expenses will be on account of the shipper. Wrt, Karachi bound boxes, Please ensure that a copy of the Packing List & Invoice is placed inside the containers prior to sealing of the containers, as per the new notification of Pakistan Customs. Failing to do so may involve fines & penalties on consignee's or shipper's a/c.
 4. Stuffing of IMCO cargo with prior approval only. Containers to be affixed with IMCO labels on four sides prior returning to port. Any old labels to be removed.
 6. The actual arrival time of the vessel at Port Authority will be treated as cutoff time and we regret that contrs arriving after cutoff time or contrs without valid export documents cannot be accommodated.
 7. Please check the empty contrs prior release and accept only clean/sound units. In case contrs are returned to port unused on account of damage related charges will be on the shipper's account.
 8. The customer must check and ensure that containers received from depot are as per the loading program issued
 9. The depot must ensure no container is issued if the loading program has not been received by them through an MSC Office.
 10. Cut off for D.G. Containers is 72 Hours prior to vessel arrival. Failure to provide required data/documents would result in shut out.
 11. Commodity: RICE/ CEMENT/ TOBACCO: Steam Cleaning of the container including removal of waste are for the account of the consignee.
 12. Commodity: Marble Slabs: Any damage or subsequent repairs to the container due to nature of the cargo/ goods are for the account of the Shipper/ Consignee.
 13. Empty container must be picked only from MSC designated "container depots", as mentioned on the CRO. If any container picked from other depots, transporters, clearing agent or directly from importer and any damages to container (interior / exterior) are notified by the terminals at load, transshipment or discharge ports will on shipper account.
 14. Shipper must ensure no DG stickers exist on container. In case the same exist the shipper must either reject the same and pick up container without any DG label. Failure in compliance will result in shipper being fully liable for cost / penalty.
 15. By sending us Shipping instruction you formally approve and irrevocably accept our Merchants clause terms, responsibilities and liabilities
- ALL BOOKINGS ARE SUBJECT TO TERMS AND CONDITIONS OF CARRIER'S BILL OF LADING.**
In the event the Merchant does not use Carrier's seals, the Merchant shall use seals which are compliant with the latest ISO regulations or with equivalent security requirements. The Merchant shall indemnify Carrier against any loss, damage, liability or expenses whatsoever and howsoever arising, caused by the Merchant's use of a seal which does not comply with this provision.
